PROGRESS ON MISSION

God is steadily surprising and amazing us as we walk step by step with a burden to see 100 new churches established and many churches strengthened in the BMA of Texas by 2029. We are seeing God all over the details, big and small. Let me share a few with you:

Men are answering the call and boldly stepping out to reach the area God has drawn them to. Your church is now supporting 29 church planting locations and you are taking care of 35 families who are engaged in the work! This is more new churches than the BMA has ever seen.

God has provided the resources to take care of these men through you! You and your sister churches have increased your giving to the general fund and to individual mission resource funds. Four BMA Texas churches are currently taking the lead in planting churches themselves. We are gladly in the second seat assisting them. The Texas WMA has outfitted an outreach trailer that is assisting in gospel sharing. Sadly, three sister churches have recently closed their doors but made the choice to give significant resources of property and money so that new churches could begin as their continued legacy. Thank you past members of Dallas Park, Dallas; First, Gary and Oak Grove, Canton. Their gifts will result in disciples multiplied.

Men, women, and children are being saved and discipled! Your missions movement is really not focused on starting churches. We are focused on sharing Jesus, making disciples, equipping leaders, and multiplying. We are focused on the Great Commission and God is faithfully building churches. Hundreds are being saved all over the state in cities and small towns.

Existing churches are being strengthened through Acti-

vate, workshops we are providing to pastors and church members, and through their loving engagement with mission projects. We continue to financially support Activate in assisting Texas churches. We bring the workshops we use to equip missionaries into churches upon request. Excitedly, BMA churches that are walking

closely beside a mission point, helping with encouragement projects and resources are receiving so much back. They are being inspired to focus on the great commission with urgency and are being equipped with new tools simply by their interaction. We encourage you to adopt a work in your mission family.

We see God in every little detail. He provides places to worship. He provides open doors to outreach. He provides the people that connect with people and resources. He provides open doors with hospitality. He provides equipping. He provides the fellowship and accountability necessary for encouragement, correction and rebuke. He continues to provide more people necessary for coaching, mentoring, training and shepherding care. He is steadily strengthening your men on the field as they face trial after trial with perseverance and celebrate victories as a result.

We can't rest in what God has done and is doing. We must sacrifice until Jesus' return marks the end of our mission assignment. There is a church because there is a mission. We associate because there is a mission. We must sacrifice for the mission. The King is building his Kingdom.

Will your church invest in your mission to your Judea and Samaria by partnering with your BMA of Texas Mission Movement? Will you pray and pursue this goal with us?

PROJECT 2029 100 NEW CHURCHES/10 YEARS

On behalf of my secretary, Cassie Fulton, and our 13 trustees, it's a joy to provide this annual report. We're thankful for the opportunity to serve the churches of the BMA of Texas, and offer financial assistance to growing churches.

Recently we made a loan to a church that has been in decline, but now they are growing. People are trusting Jesus as personal Savior, and families are joining the fellowship. This is a personal blessing to me and our trustees.

Our purpose becomes a reality when we make a loan. We assist churches with financial needs to build buildings, remodel or add to existing buildings, and purchase property.

At the end of August, we have 253 investors, and our total assets are \$14.5 million. We now provide loans for 21 projects, and have sufficient money available to help other growing churches. If your church plans to build, remodel or purchase property, it would be a joy to talk with you about a loan.

I am very thankful to our trustees who serve faithfully and enthusiastically to make wise decisions concerning our finances and making loans. Our trustees include pastors, and men and women of various business backgrounds. They are a great help to me, and I appreciate their leadership. There are three ways to financially support the Loan Association:

- A contribution from an individual or church
- An interest free deposit
- Interest deposits that compound quarterly. Currently we are paying 2 percent on share accounts and 2.5 percent on Investment Certificates. These rates may change during the year depending on the financial climate. Your financial support and prayers are essential for the BMLA to have a part in assisting the BMA of Texas to plant churches and provide funds for growing churches.

Jacksonville College

Jacksonville College is a mission field. I say this because our sports programs bring numerous students to us who have no church background. I say this because students come to us from all over the world. Last year, thirty-one students from eighteen different countries attended Jacksonville College.

Lifeway statistics tell us that 80 percent of students who grew up attending church leave the church when they go off to college, and they never return. Jacksonville College works to change this statistic. Through our presentation of the gospel, seventy-six students invited Christ into their life this past year. We are the only two-year, faith-based college left in Texas. We integrate faith and learning in every academic discipline. We require Chapel attendance every week, and we allow the local church to come onto our campus and hold Bible studies throughout the week. Jacksonville College exists to provide a quality education from a biblical worldview that challenges minds, transforms lives and equips students for servant leadership and lifelong learning.

Jacksonville College recognizes the value of the relationship with our Baptist Missionary Association of Texas churches. When churches give those funds go to support Jacksonville College and its students. For example, Michael Mumba is from Zambia. He came to Jacksonville College to play soccer. We are able to share the gospel and disciple Michael. He will return to Zambia one day with a quality education from Jacksonville College and a transformed life. Seth Hellwig, son of a BMA pastor and BMA Seminary professor, is a student at Jacksonville College. Funds from BMA churches and Associations help provide scholarships so students like Seth and others can afford a college education. Jacksonville College is affordable, it is doctrinally sound, and every subject is taught from a Biblical worldview. Our enrollment is growing in every area. Due to the generous contributions from churches, associations and individuals we are able to continue make improvements to our facilities.

We thank you for your past partnership and ask for your continual prayers and financial contributions so we can provide a quality education from a biblical worldview that challenges minds and transforms lives.

To my brothers in Christ who are a part of the Tarrant County BMA,

It is with great pleasure that I write regarding our mission in North Fort Worth. God has truly blessed us in many ways, and we are thankful for your support and prayers.

For the past 10 months, we have seen the Lord do many great things. When we began in my home, we didn't know who God would bring along on this journey, but praise Him because He interrupts our lives and brings people together for His glory and purpose.

We began with 4 families and have grown significantly. On our Launch Sunday, which was August 25th, a total of 99 were in attendance, and we couldn't have been more excited, granted several were there only in support. Over the past 10 months we've baptized 14 people, not all of which came to faith in Jesus through our ministry, but no doubt our work has impacted their lives in such a way to follow the Lord in baptism because they had not prior to being apart of Kingdom Chapel or were recently saved among us.

Since we have launched, we have seen more people move into a covenant with Kingdom Chapel, and have committed to be on this journey with us.

We've grown both numerically, and spiritually and we thank God above for His continued outpouring of blessings upon our church.

Thank you for praying for us, and we continue to ask your prayers and support.

For the King and His glory,

Ronnie Mills

Texas Baptist Home for Children

Jason Curry, President

P.O. Box 309

Waxahachie, TX 75168

jcurry@tbhc.org

We are so grateful to the Baptist Missionary Association of Texas and every Church that cooperates together to continue making Texas Baptist Home for Children a viable and vibrant organization to help care for kids from hard places. Thank you for your monthly commitment to our ministry and your fundraising events that help keep us operational for children who need us the most. We are blessed by all of you.

TBHC is celebrating 109 years of ministry this year. And as one of the many inheritors of this ministry, I am standing on the shoulders of those who have gone before. It is this faith legacy we all share one generation to the next. TBHC is no exception and my hope is that we can help prepare this organization to be inherited by those who will one day come after.

Our history starts with us being an orphanage, and over time, we are today an adoption and foster care agency. Our organization exists to bring glory to God by caring for children. We want to help kids thrive after trauma by providing quality care that helps give them a future of hope.

As an adoptive dad I can tell you that my children have looked at me and said "I don't want to be treated differently...I don't like being treated like a victim". Why is this? they are adopted. Each of my children experienced trauma, but they are not victims anymore.

This is the Gospel. All of us having once been a victim of the world but no longer are we victims. We are victorious because we are adopted by God!

Our five-year plan is in the process of implementation and we are excited about each and every step. Before we can ever take those steps, Gods' Word gives us the formula to see how we should dream of the future. In Philippians 1:20 Paul continues the conversation of grace with the reader.

"according to my earnest expectation and hope that in nothing I shall be ashamed, but with all boldness, as always, so now also Christ will be magnified in my body, whether by life or by death."

So, into our near future we are approaching our plan with great ex-

pectations that God will do something! We plan to have no regrets on our efforts when we look back at what we accomplished. We are going boldly to achieve what we feel God has already set in motion. And most importantly, in all that we do we will magnify Christ.

This is His ministry and we are His stewards. I am personally honored to serve TBHC children, families and staff to fulfill God's great expectations for our ministry. Because no matter how bold or big we expect our ministry to be or how out of reach the resources may seem, our plans are small in contrast to Gods' ability and expectations of obedience.

TBHC operates in the DFW Area of Texas. With offices in Ellis County, Tarrant County and Dallas County. Expansion is planned for these three offices. How can we care for more children? Recruit more foster and adoptive families? How can we gather more churches to rally behind what we are doing? We are unique in that we recruit our families from churches exclusively.

Another expansion plan is looking toward Denton/Collin County. It is placing over half of its kids entering foster care outside of their county. Because of this we are starting the process of soliciting churches to come along side us to minister to the community and help keep kids in their local area.

We plan to hire an estimated 15 new staff before the end of our five-year plan. Each accomplishing a unique purpose within the needs of our agency. Each year will be costly, totaling an expanded financial growth of \$4,000,000.00. But the most significant part of our plan is that our agency would care for over 2,000 children by the end of our five-year plan.

It is my hope that Texas Baptist Home for Children would have influence and opportunity to make a difference wherever God would take us. We need to let every child know that they are important and valued by God because after trauma no one has to stay a victim—they can be adopted!

ANOTHER GOOD YEAR FOR BAPTIST PROGRESS

Due to adjustments made in our budget a couple of years ago, Baptist Progress, once more, had a good financial year. We are grateful to all the churches that continue to partner with us in promoting interest in evangelism, benevolence, and Christian education among the churches of the Baptist Missionary Association of Texas.

For only \$1.75 per month (\$21 per year), per mail subscription, or \$1.25 per month (\$15 per year) per email subscription, churches can provide each of its member households with 12 issues of Baptist Progress for one year. The Church Plan cost is offered at a discounted rate as the standard rate for mail subscriptions is \$24 per year and for email subscriptions, \$18 per year.
